If at the end of the trip, weather or mechanical breakdown has prevented the guaranteed number of hours from being flown, \$3,850 per flight hour will be refunded. Packages are based on unlimited skiing and not unlimited flight time. Additional flights to and from the lodges, transfers, medical evacuations and general flight seeing are not considered part of our unlimited skiing program.

*** Pricing is determined by the month in which the majority of your tour takes place. For example, if your tour spans January and February but includes six days in January and only one in February, the December & January rate will apply.

The terrain

The Skeena and Coast Mountains of Northern BC offer up massive tree runs in old growth forests, huge glaciated features in high alpine terrain and everything in between. It's a nirvana of steep and aggressive lines for the die-hard, through to gentler terrain for a more mellow experience.

Costs for additional skiing are charged only to guests who decide to ski over the guaranteed vertical meters/feet included in their tour. No refund is given, in whole or in part, for unused days or transportation, resulting from late arrival or early departure. If you should decide not to ski at all one day, for whatever reason, or if you decide to stop skiing early one day and you do not reach your guaranteed vertical footage, there will be no refund.

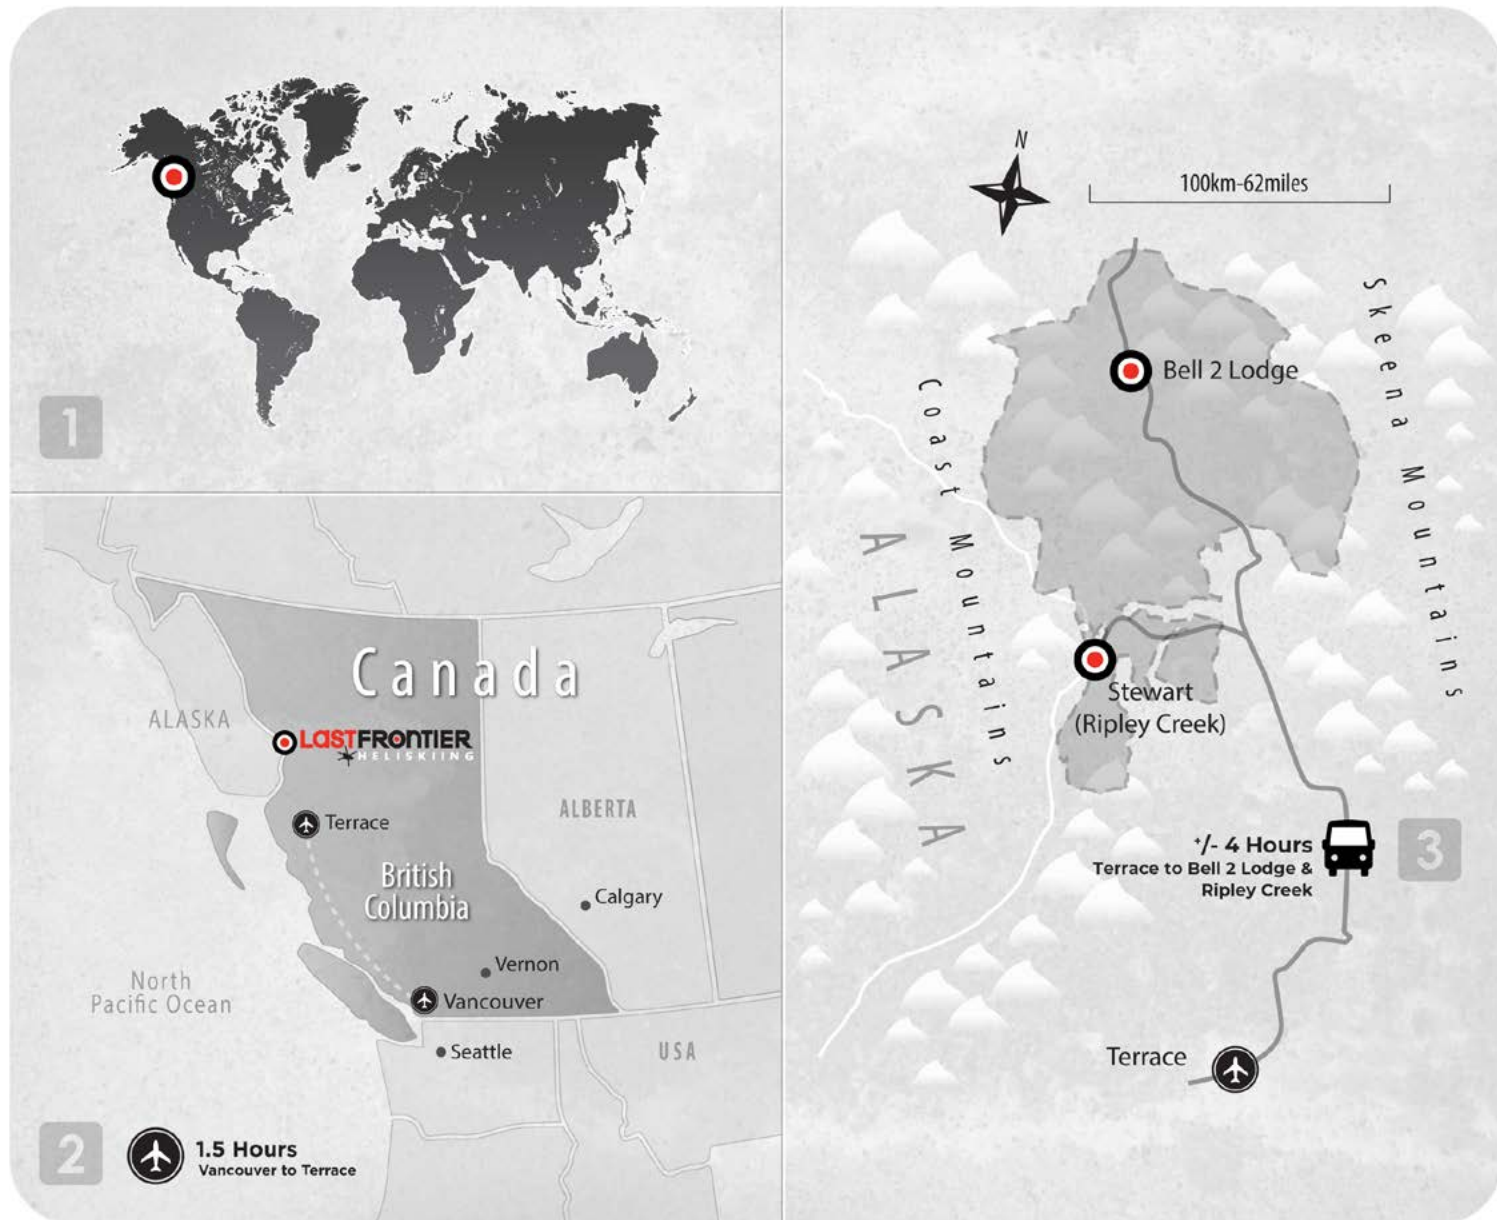

Liability Waiver
